Dear Healthy Start Coalition of Miami-Dade,

On behalf of the City of North Miami, I am delighted to invite you to participate as a vendor in a powerful and purposeful event during Black Maternal Health Week 2025.

This special event will be held on Wednesday, April 16, 2025, from 11:00 AM to 2:00 PM at the Scott Galvin Community Center (1600 NE 126 Street, North Miami, FL 33181). The day's programming will include a lunch symposium, a community luncheon, and the premiere of a short film, all centered around raising awareness of the critical issues affecting Black maternal health and uplifting the voices of Black mothers in our community.

The symposium will feature a distinguished panel of health experts, doulas, midwives, healthcare providers, and mothers, who will lead meaningful discussions on topics such as access to care, maternal mental health, and community advocacy for equitable healthcare practices.

Your presence as a vendor would add great value to this event, and we would love to have your support in making this an impactful experience for our attendees. Please RSVP to District2@NorthMiamiFL.gov to confirm your participation.

We look forward to your response and the opportunity to collaborate on this important initiative that aims to uplift and support Black mothers throughout our community.

Sincerely,

Kassandra Timothe, MPA
