

Peer Support Services

Thriving Mind's Peer Support Services advocate for people in recovery by sharing resources and building skills, strengthening communities and relationships, and leading the initiative to adopt a Recovery Oriented System of Care. We provide:

- Thriving Mind Help Line (1-888-248-3111) providing support, education, and linkage to community resources and providers.
- Technical assistance and training to Peer Specialists who seek employment and information on certification.
- Technical assistance and training to providers to promote a Recovery Oriented System of Care.
- Southern Regional Peer Meetings for Peer Specialists.
- Peer Supervisor meetings.
- Peer office hours every Wednesday to answer questions about being a peer and the certification process.
- Peer Specialist support, technical assistance, and study groups for Certified Recovery Peer Specialist exam with Florida Certification Board.
